Study Plan

What is a study plan?

Study Plan is to allocate all the subjects of interest into a class schedule to prepare for enrollment.

Creation process

1. Go to the menu "Plan / Register / Add-Withdraw Courses"

2. Press the Create button (+) to create a new study plan

6123760813
PRIM VANICH

PLANNER 3/2022
UPDATED AT 9/9/21 14:30 HRS.

| FAVORITE SCHEDULE | DRAFT |

NO PLANS

3. Observe the minimum and maximum credits that can be registered.

4. Press the Add Course button (+)

5. Search for courses

You can search for courses by scrolling, typing the course name, or typing course code in both Thai and English.

Enrollment

What is enrollment?

Enrollment is a process to registered and confirmed all the courses you wish to take.

In registration period you can only registered once. If you already confirm and wish to changed the courses, you will need to wait for Add/Dop period.

REGISTRATION 1/2023

In registration period, the remaining number of enrollments will be 1 time.
If it is an add-withdraw period, there will be more than that (the number specified by the university.)

Add/Withdraw

What is Add/Withdraw?

Adding/withdrawing is the modification of already been registered courses. By adding, withdrawing courses or change course sections. Adding and withdrawing can be done during add/withdraw period only. Withdrawal during the add/withdrawal period will not result in the withdrawn subject receiving a grade of W, but will cancel the enrollment of that subject altogether. Addition/withdrawal during add/withdrawal period can **be done more than 1 time** with expenses incurred according to the policy of the Registrar's Office.

Steps to add and withdraw

1. Go to "Plan / Register / Add-Withdraw Courses" (skip to step 3) or "Registration Result"

2. Press the pencil symbol on the top right to enter editing.

Frequently asked questions

1. User or Password Invalid! There was a problem logging in

   This error indicates that the student entered an incorrect username or password. Please check if you forgot to change language or if the cap lock key is stuck. *Generally, the username is a student ID and the password is a national ID numbrt or passport code.* *Please be careful that if you enter the wrong password 5 times in a row, the system will not allow students to log in and will have to wait 5 minutes to try again.* If you are unable to log in, please contact it department to reset the password.

   OK
2. Went to the study plan menu and did not find any courses, this may be due to the temporary storage on the app not working correctly, causing the system to not work as intended. *Notice the word semester. x/xxxx under the word Add subject, might display an incorrect semester.* For example, it is currently the registration period of term 1/2023, but the system shows as 3/2023. *The solution is to go to the main menu page and pull to refresh to update the information on the new device or login again.*
